TREASURE HUNT

AVAILABLE NOW!

Dear Treasure hunter,

We launched a treasure hunt activity for those who love fantasy adventure and games. It is time to start having fun at home by going online with your copy of Dragon Quest Builder 2 and visit our island .

On "SBLand" you will find our treasure hunt activity we created. The name of the island, location and landscape are subjected to change from time to time. Make sure you come back again to find new hidden treasures.

Enjoy your treasure hunt!

Reward yourself with item you wish to put into the treasure chest by placing an order on our website.

* Our items are unique, and may be available in limited quantities only.
The treasure chest can be painted by you in any design and color you like, including the items in the chest.

Thank you for your interest and visit.
